NSS Camp

Date : 25-02-2019 to 03-03-2019

The NSS camp we will be discussing was held in a rural area in the outskirts of the city. The camp lasted for a week and was attended by more than 150 students from units 18,19,20. The objectives of the camp were to promote community development, environmental conservation, and social awareness among the participants. The activities of the camp included tree planting, construction of sanitation facilities, health and hygiene campaigns, and cultural exchange programs. The camp was organized by the NSS programme officers Dr. B. ASHADEVI, Dr. B. MURUGESWARI and Dr.R. Karthigadevi with the support of the local government and community leaders.

The camp received positive feedback from the participants and the local community members. The participants reported that the camp helped them develop their personal and social skills, and provided them with an opportunity to engage in community service. The local community members appreciated the efforts of the participants in improving the local environment and spreading awareness about health and hygiene.
