# Preparation of Detergent Powder and Detergent liquid–demonstration for the public

29.11.2019

## DEPARTMENT OF CHEMISTRY EXTENSION ACTIVITY REPORT – 29.11.2019

This year on 29.11.2019, our department has organised an extension activity programme at Periyar nagar, Dindigul. 28 students and 5 Staff members were actively participated in that programme. At that activity, we planned to prepare Detergent powder and detergent liquid. The objective of this programme is to create awareness among the women community about self-employment and entrepreneurship. In this programme, our students were demonstrating the preparation of household cleaning materials by using the required raw materials in correct proportions.

At the end of the programme we gave free samples of the products to the people and got feedback from them. This programme encouraged our students as well as the village women to become small scale entrepreneur.

NSS Camp

Date : 08-01-2020 to 14-01-2020

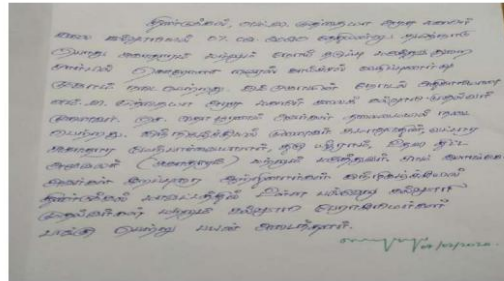

The NSS camp we will be discussing was held in a rural area in the outskirts of the city. The camp lasted for a week and was attended by more than 150 students from units 18,19,20. The objectives of the camp were to promote community development, environmental conservation, and social awareness among the participants. The activities of the camp included tree planting, construction of sanitation facilities, health and hygiene campaigns, and cultural exchange programs. The camp was organized by the NSS programme officers Dr. B. ASHADEVI, Dr. B. MURUGESWARI and Dr.R. Ruby Nirmala with the support of the local government and community leaders.

The camp received positive feedback from the participants and the local community members. The participants reported that the camp helped them develop their personal and social skills, and provided them with an opportunity to engage in community service. The local community members appreciated the efforts of the participants in improving the local environment and spreading awareness about health and hygiene.
