MVM COLLEGE STUDENTS

Tamil Nadu Home Search Education Scheme 2023

Tamil Nadu Home Search Education Scheme 2022 is a new initiative by the government of Tamil Nadu's Department of School Education. Volunteers teach classes near students' homes as part of the Tamil Nadu Home Search Education Programme every day from 5 pm to 7 pm after school. Our college students actively participate in this programme as volunteers and disseminate their knowledge to rural students from 1-12th standard. Over the course of the week, each group of students will attend classes for around six hours. The first through fifth grades can be taught by anyone who has completed their studies through the 12th grade and middle school pupils can be taught by those who have graduated. By this extension service to neighbourhood our students empower and enrich their knowledge.
