Report on the D3 Laboratory visit & Internship (2022-2023)

Our 1 year M.Sc students (7 numbers) have completed clinical laboratory visit at D3 laboratory at Dindigul for 14 days (08.02.2023 to 18.02.2023) as intensive training Programme Rtn. Mr. Elangovan, Managing Director of D3 lab has given Wonderful training on various departments of clinical laboratory technique including Pathology, Biochemistry, and Microbiology.

Students learned the diagnostic procedures for various diseases including cancer by performing histopathological procedures.

They have also used fully automated analyzer for hematological diagnosis and estimating instrument. Students also learnt the working principle of this as well as completed Biochemical analysis during the laboratory visit. Students felt very happy for gathering more informative techniques and procedures in the field of diagnostic science during D3 lab visit.
