REPORT OF THE ACADEMIC AND ADMINISTRATIVE AUDIT

EXTERNAL

The Academic and Administrative Audit (AAA) of M. V. Muthiah Government Arts College for Women, Thadikombu Road, Dindigul, was conducted on 26.03.2022 and the members of AAA Committee were.

Dr. P. Shanmugavadivu

Professor and Head

Department of Computer Science and Applications

Gandhigram Rural University

Dr. B. Mayilvaganan

Professor and Head

Department of Applied Mathematics and Statistics

Madurai Kamaraj University

Madurai.

Dr. P. Jeyappriya

Associate Professor and Head

Department of English and Foreign Languages

Mother Teresa Women's University

Kodaikanal

The Principal of the College, Dr. D. Lakshmi has welcomed the External Committee members and the IQAC coordinator Dr. K. M. Sumathi, presented the Academic, Research, Extension and Administrative Activities of the college for the academic year 2020-2021.

THE SALIENT FEATURES OF THE INSTITUTION

The institute is established with a special mission to educate, enrich and enlighten in Higher Education, which is progressively accomplished every year.

It offers 13 UG, 11 PG and 7 M.Phil programmes. Additionally, 2 Ph.D programmes are offered in Maths and Computer Science disciplines.

There are totally 13 Departments out of which 7 are of Science 4 Humanities and 2 language departments (Tamil and English).

It has a faculty strength of 166 which is an aggregation of 66 permanent, 68 guest lecturers, 10 CLP staff, and 23 under Parent Teachers' Association.

Among them 2 are Post Doctoral Fellow, 74 Ph.D degree holders and 56 are pursuing their Ph.D., 30 are NET holders and 15 are SET holders.

The present students' strength is 3200.

Students progression to Higher studies – 337

Rank Holders – 95

Computer – cum Integrated Literacy Programme – 895

Students Pass Percentage UG- 99% & PG – 100%

The college works from 10:00 am to 4:00pm.

The Infrastructure facilities of the college are:

- Classrooms : 75
- Laboratories : 17
- Language Labs: 01

Teaching Methodology: Blended Mode

IQAC executed the Plan of Action of conducting 52 online webinars and Motivational Programmes for the year 2020-21

Gym: 01

RO Plant: 02

No. of Rest Rooms: 97 Indian and 11 Western

Each department has an exclusive library to facilitate the students to utilize the learning resources

No. of Books in the General Library - 28053

No. of Books in the Department Libraries: 31754

It has 216 research publications.

A fund outlay of Rs. 1 Lakh was received for Minor Research Project from the research funding agency TANSICHE

No. of Seminars/webinars/conferences/ workshops conducted/organized: 181

No. of Extension Activities: 47 (online and offline)

THE SIGNIFICANT OBSERVATIONS

- The college is thriving in every possible way to attain excellence.
- 33 faculties and one student have completed SWAYAM courses on MOOCs platform.
- The institution has signed with 4 MoUs with educational institutions and corporate sector.
- The MVM Journal of Research is being published regularly.
- The institution has 3 solar lamps and 7 rainwater harvesting units. Eco-friendly campus is thus ensured.
- The institution periodically does Audit for Energy, PTA, OSA, Cooperative Store, Green and Hostel.
- The institution maintains a botanical Garden with 2447 trees in the campus.
- The institution has an active English language lab strengthening LSRW skills
- The institution comes under automated IFHRMS.
- The institution conducts periodical awareness programmes on Mushroom Cultivation.
- Wi-fi connectivity is enabled in the campus.
- EK Bharath Shresta Bharath – Paired with Degree College for Women, Charar-1, Shanef, Buogam, Kashmir and several online awareness programmes on Covid-19 during pandemic.
- The shortcomings observed and reported by previous NAAC team in the year 2014 (II Cycle) are carried out.
- The faculty members regularly participate in Conferences/ Workshops/ Seminars etc. to update on their specializations.
- They also periodically organize trainings, workshops, webinars, conferences etc.
- The faculty members regularly submit research projects proposals to the funding

agencies.

- The research publication count has increased
- The physical facilities are augmented.
- Gym functions for students and faculties to stay fit and healthy.
- The College served as Corona Care Centre during the Pandemic.
- The number of Faculty members pursuing Ph.D has increased.

The committee visited all the departments and the observations of the committee are given below.

1. CURRICULAR ASPECTS

- This college being an affiliated institution, there is seldom autonomy to instill academic flexibility and curricular reforms.
- The curricular framework, contents and the scheme of syllabus is prescribed by the University
- All Heads of the Department are the members of Board of Studies of the affiliating University.
- Few faculty members are Board of Studies in TANSICHE and subject experts in other colleges.
- Computer-cum-Internet Literacy Programme of Govt. of Tamil Nadu is offered as Certificate Course in the college.
- The institution integrates crosscutting issues relevant to professional ethics, gender, human values, environment and sustainability into the curriculum.

2. TEACHING, LEARNING AND EVALUATION

- As per the University norms, it has distinct schemes for internal and external evaluation, with due distinct weightage between theory and practical course.
- The Blended teaching method is followed like mobile learning, CAL, CAT, online learning and thus e-learning methods and new teaching mechanisms are well in place.
- The average pass percentage of students of UG and PG are 99 and 100 respectively.
- It is very encouraging that this college has bagged University Rank in the following disciplines
 - Tamil
 - English

- BBA
 - History
 - Economics
 - Commerce
 - Mathematics
 - Physics
 - Chemistry
 - Zoology
 - Botany
 - Geography
 - Computer Science
- The slow learners are given additional attention through remedial coaching, with a view to bring them into the main stream.
 - The fast learners are appropriately motivated for suitable progression / employment by giving coaching for Competitive Examinations.
 - Soft Skill Classes and TNPSC coaching classes are regularly conducted for final year students.
 - The semester examinations are conducted and evaluated by the university.

3. RESEARCH, INNOVATIONS AND EXTENSION

The faculty members are encouraged to be actively engaged in research, in terms of

- Research Publications
- Research Project Proposal submission to funding agencies
- Participation in / Conducting Research Forums, Conferences, Seminars, Workshops, Training Programmes
- The faculty members are sensitized on research innovations and the culture of patenting their research

4. INFRASTRUCTURE AND LEARNING RESOURCES

- Due to the constrained funding the infrastructure development remains as a big challenge.
- The college works its best to obtain funding from the state and central agencies for developmental activities
- Each department has a separate library apart from the Central Library.

- Almost all the departments have their own laboratories for their students.
- All the departments are provided with necessary computing facilities and the accessories.

5. STUDENTS SUPPORT AND PROGRESSION

- The student progression to the higher studies is elevated to 35%
- Percentage of students placement is raised to 36%
- No of ramps construction is 16 and availability of the wheel chairs for the Differently Abled is 4
- Students avail scholarships like minority scholarship 16, special scholarship 14, BC/MBC/DNC scholarship 2196, SC/ST scholarship 802, Tamil Medium Scholarship 428 and Rani Mangammal scholarship 54.
- Remedial programme for slow learners are conducted periodically like Extra online classes, One-to One Academic Counseling, Students help desk, Peer learning and create opportunity to excel in Hidden Potentials
- Students representation in various bodies like Union – President, Vice-President, Secretary, Sports Secretary, Magazine Secretary, Canteen Secretary, Co-op Store Secretary, Fine Arts Secretary and II Shift Representative
- For advanced learners online coaching classes on competitive examinations was conducted.
- PG – 100% pass percentage; UG – 98% pass percentage
- Progression for Higher Studies
- Internal Exam Grievance Cell

6. GOVERNANCE, LEADERSHIP AND MANAGEMEME

- Admission is done through online
- Ph.D Scholars do online presentation like Ph.D Viva-voce, Course work, Annual Presentation and DC Meet.
- Payment - online (IFHRMS)
- Conduction of online Examination
- Online Union Election
- Online Circulars
- Academic and Cocurricular activities are uploaded in the website
- Council Meeting conducted in online and offline mode

- Scholarships are scrutinized in online mode

7. INSTITUTIONAL VALUES AND BEST PRACTICES

- Admission through online single window counseling process
- Outcome Based Education - CBCS
- Upgraded Curriculum
- Gender Equity & Women Empowerment
- Fees at Affordable cost
- Special care for married girls, pregnant girls, mother girls and health issues.
- Barrier free learning for Differently Abled
- Swach Bharat
- Ek Bharat Shresta Bharat
- Furnished Library
- Campus Wi-Fi Facility
- Online Union Election
- 52 webinars with all the departments
- Corona Care Centre
- Zero Noise Premises

UNIQUE PRACTICES

- Organic Manure – Vermi compost
- Rearing Fish in tanks
- Bird watchers club
- Maintenance of Botanical Garden
- Awareness on Mushroom Cultivation
- Implementation on E-governance
- Application of ICT for Teaching Learning
- Participation in AISCHE and NIRF
- Enabled English Language Lab in Strengthening English Communication Skills (LSRW)
- MVM Journal of Research
- Participatory Learning
- Reading books and report on myth, science fiction and Award winning texts

- Keywords in Economics – handbook circulated and test conducted
- Mind mapping
- Management Games
- Giving saplings to plant within the college premises
- Politics and History related matters highlighted in the notice board
- Library Website and Subject Gateway
- Lectures and coaching on Competitive Examinations
- Physics related newspaper cuttings placed in the notice board

SWOC ANALYSIS

STRENGTHS

- Many of our faculty members are honoured as Chairpersons and members of the Board of Studies in Mother Teresa Women’s University, other Universities and autonomous institutions.
- Ph.D and NET and SET qualified teachers
- Members in TNPSC (in question paper setting and valuation)
- Ph.D Guides & scholars
- Pass percentage
- Rank Holders

WEAKNESSES

- Inadequate permanent teachers and non-teaching staffs
- Annual Infrastructure maintenance should be immediately addressed in full swing

OPPORTUNITIES

- There are UG, PG and M.Phil Programme offered by the college which helps the students to continue higher education at an affordable cost.
- Ph.D Programmes at lower cost
- Library - E-resources and e-journals with individual Id.
- Commerce – e-gateway
- Career Guidance & Placement at students service
- Hands on training and internships to strengthen entrepreneur

CHALLENGES

- Mobilization of fund is inadequate
- Maintenance and repair of ICT tool with limited amount
- Practicing and enabling the vernacular based educated students in English Medium for the 1 year
- Supporting the pregnant girls and mother girls to complete their Degree Programme
- Training the slow learners to compete and score higher range of marks

Other Remarks

- The library should be modernized and be more functional
- The walk-ins to the library should be strategically increased
- The digital initiatives are to be adopted in full swing, whenever necessary
- All students should be encouraged to enroll themselves for SWAYAM, MOOC's and Spoken Tutorial courses etc.,
- The faculty members should motivate the enrolled students to complete the respective online courses
- The internal assessment tests may be designed to evaluate the outcome based/application oriented education
- The faculty members should use and develop e-resources and they should inspire the students to use e-content
- Career Guidance workshops should be conducted
- Renowned educationist should be invited to motivate the student for higher education and Research and Development
- Associations activities of all the Departments could be objectively strengthened
- Industrial visit/ internship aligned with the curriculum should be made mandatory for all the students
- Objective and discipline specific Field visits, with attention to the villages, visits should be arranged for the students with the help of Faculty members to strengthen the Extension Activities
- Feedback mechanism in the light of NAAC's new Guidelines are to be administered
- The culture of partnership/networking with institutions / industries may be fostered through MoUs

- The Unique Selling Proposition (USP) of each department should be identified and be nurtured

ADMINISTRATIVE AUDIT

- The Admission of the students should be as per the Government norms and guidelines
- Scholarships for SC/ST, BC, MBC/DNC(Non Creamy Layer) students are made availed through the office
- All accounts are maintained in the College office and are audited every year through the office of the Regional Joint Director, Madurai and once in two years by Office of the AG, Chennai
- Service Registers of Teaching and Non-teaching staff are to be maintained in the office
- Green Audit, Energy Audit, PTA Audit, OSA Audit, Cooperative Audit and Hostel Audit reports should be submitted every year

Remark: The e-governance should be in 100% to assure transparency and accountability of services.

SUGGESTIONS

1. The demand ratio of all the programmes should be audited. Both the students and parents who seeks admission should be made aware of those programmes whose demand are in decline.
2. Alumni network should be strengthened and funds should be generated
3. The number of in-house e-learning resources are to be augmented
4. The student profile analysis (first graduate and single girl child) should be prepared
5. Girl students health status analysis report should be prepared, analysed and actions should be taken accordingly
6. Ladies lounge should be made available to the needy students
7. For those PG students whose projects are found suitable for Publication should be guided and encouraged in getting the respective papers published
8. Publication per Faculty and applying for Projects should be increased
9. Reports on Students Satisfaction Survey and Department Committee Meetings should be prepared and analysed
10. Enrollment of the students in online courses such as MOOC's and spoken tutorial

should be uniformly 100%

11. Fauna and flora audit report should be prepared
12. Biodiversity report of MVM college should be prepared
13. E-encyclopedia on fauna and flora with QR code and Geo tag should be prepared by Zoology and Botany Departments
14. The number of seminars, conferences and related programs conducted by each department should be earmarked
15. Corpus fund may be created with the help of Philanthropist and Corporate Social Responsibility (CSR)
16. ICT enabled teaching and learning should be promoted in full swing
17. In order to capitalize on the Values and Best Practices, the efforts may be initiated to bring in capital investment for vermi compost for soil enrichment and to grow medicinal plants with drip irrigation
18. Faculty members who do not possess Ph.D should be encouraged to pursue Ph.D
19. Entrepreneurship training and skill development should be made mandatory all the final year UG, PG students
20. Faculty member should be given all the support to write and publish Books in their respective fields
21. Safe disposal of biological waste, e-waste and chemical waste should be practiced

Mother Teresa Women`s university

Kodaikanal - 624101

The committee visited the various departments and facilities of the College on 15th November 2022. On that day it observed the presentation of the IQAC Coordinator and Heads of various Departments, visited various departments, support services, office, interacted with the faculty members, administrative staff and students. Even though the mandate of this committee was to do the **Academic and Administrative Audit (AAA)**, it was also requested to consider itself as a **Pre-NAAC** visit so that it can identify the strengths and weaknesses of the institution and suggest measures for overcoming them.

The college was established by the Government of Tamilnadu in 1966 with a mission to empower rural women and was named after the great founder of Angu Vilas Groups, Mr. M.V. Muthiah, who had provided lion's share of 40 acres of land for the college. The avowed purpose of establishing the College is to help the most backward community and economically poor learners in and around Dindigul to acquire higher education and become more competitive. The College has been affiliated to Mother Teresa Women's University, Kodaikanal from the year 2003. The college is located in the midst of an ancient city, Dindigul, adheres to the mission of "Purity, Unity and Ability and enjoys a commendable social accreditation. The college was established only with minimum number of programmes. In the subsequent developmental years, various Under graduate, Post graduate and Research programmes were introduced. Now the College offers 13 UG Courses, 11 PG Courses and 07 M.Phil. programmes and 02 PhD. Programmes in various disciplines. The college is functioning with 66 Regular Faculty members, 67 Guest Lecturers, 23 PTA Faculties, 9 CLP Staff and among them 88 are Ph.D. holders. The administrative and technical jobs are supported by 32 non-teaching staff. The college is catering to the educational needs of the neighbouring rural society. The number of students sought admission to the under-graduate, post-graduate and research programmes of the college were 2690. It nourishes the intellectual thirst of the students with a well equipped Central Library which houses 28053 books, being supported by departmental libraries where 21933 books are in store. The college was declared as a Grade I College in the honour of its meritorious growth. In 2003, NAAC Committee visited for the first time and accorded — 'B' Grade. During the second visit of accreditation in 2014, it was accorded with 'A' Grade and now they are preparing for the Peer Team Visit of the third cycle of NAAC Re-accreditation.

The committee is happy to note the good functioning of the departments of Tamil, English, History, Economics, Commerce, Business Administration, Mathematics, Physics, Chemistry, Computer Science, Botany, Zoology and Geography in terms of curricular aspects, research and extension, infrastructure and learning resources, student support progression, governance leadership and management and institutional values and best practices. The college has sufficient infrastructure facilities in terms of class rooms, laboratories, central and departmental libraries, computer centre, facilities for sports and games etc. The college offers provisions for co-curricular and extra-

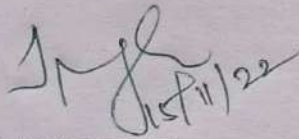

curricular activities to students in terms of NSS, NCC, YRC and few clubs. The governance of the college is well-structured and decentralized with various committees.

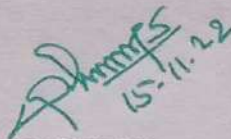

Based on the interaction and discussion held with the various stakeholders of the college, the committee wishes to place on record the following comments/recommendations.

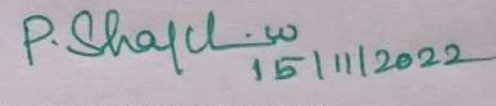

1. Special Bridge Courses are offered to the freshers.
2. Value based courses are being offered for UG and PG students.
3. Cognitive skills have been included in curriculum to some extent.
4. Wide representation in the Boards of Studies.
5. Curriculum is periodically reviewed and updated.
6. College Research Council and Departmental Research Committee monitor research activities.
7. Soft skill and placement training have been offered to final year students for employability.
8. The Computer Literacy Programme caters to the needs of the students with rural background.
9. Faculty members are periodically deputed to get trained on new and emerging technologies in teaching.
10. Feedbacks from stakeholders are obtained to enhance quality in teaching.
11. Academic Development Programmes for faculty members have been conducted.
12. Choice Based Credit System (CBCS) is implemented.
13. Commendable Research Culture in some departments can be extended to all the departments.
14. Extension and consultancy services can be increased high.
15. Societal contribution needs to be strengthened.
16. Curriculum needs more flexibility.
17. The teaching-learning process can be still more learner-centric.
18. ICT based teaching needs to be enhanced.
19. Research in some departments can be based on the requirement of the locality.
20. Research in humanities and languages need to be improved.
21. Interdisciplinary research activities may be promoted among the departments.
22. Faculty members should be encouraged to apply for more research grants.
23. Library Automation needs immediate attention and manuscripts can be added in the library.

24. Botanical garden with medicinal valued plants is an appreciable task.
25. MVM Journal of Research is a praiseworthy element in the promotion of research.
26. Computer-student ratio can be improved.
27. Students' progression towards higher education is moderate.
28. Placement of students can be improved.
29. IQAC may be directed to address the deficiencies pointed out by the earlier NAAC Peer Team.
30. The facilities like Bank, ATM, Post Office, Indoor Stadium, Perfect Health Centre, Transport and Staff Quarters need to be initiated and activated.
31. Innovative Programmes /Courses need to be offered to enhance employability and service to the local society with the funding from UGC.
32. The Career Guidance Cell and Alumni Association are to be made institutionalized and visible and perspective planning for the college as a whole and for individual departments with a focus and time limit, for the next 5 years must be highlighted.
33. Detailed statistics of PTA contribution for the developmental activities be strengthened and highlighted.
34. The introduction and implementation of SWAYAM programmes for II UG and II PG students is a welcoming gesture in the impartation of quality education.
35. Internetworking with industries and institutes for academic tie-up, research promotion and placement can be promoted.
36. Inter-disciplinary research among the departments be fostered.
37. The research metrics of all the faculty members be consciously improved.
38. The culture of innovation and patenting their findings be enhanced.
39. The students' major projects at UG and PG level be made suitable for presentation in conferences / communicated to journals.
40. The alumni network of the institution be strengthened and be used for fund generation, placement training, infrastructure augmentation.
41. Innovative pedagogy be practiced by every faculty member for better engagement and participatory learning.
42. Every faculty member be encouraged to create one or two e-content / online learning resources to enrich the 'online learning resources repository' of the institute.

43. Special initiatives be taken to create an eco-friendly and green campus.
44. The impact analysis of the institute in empowering the rural girl students, first graduates, single girl child be documented.
45. A model village be created through extension activities and NSS programmes.
46. Fund mobilization from the stakeholders and philanthropists be initiated.

Principal
2. **Dr.K.M.Sumathi**
Associate Professor of English
IQAC Coordinator
3. **Dr.K.Ramasamy**
Librarian
IQAC Deputy Coordinator

The committee visited the various departments and facilities of the College on **23.08.2023** and **24.08.2023**. On that day it observed the presentation of the IQAC Coordinator and Heads of various Departments, visited various departments, support services, office, interacted with the faculty members, administrative staff and students. Even though the mandate of this committee was to do the **Academic and Administrative Audit (AAA)**, it was also requested to consider itself as a **Pre-NAAC** visit so that it can identify the strengths and weaknesses of the institution and suggest measures for overcoming them.

The college was established by the Government of Tamilnadu in 1966 with a mission to empower rural women and was named after the great founder of Angu Vilas Groups, Mr. M.V. Muthiah, who had provided lion's share of 40 acres of land for the college. The avowed purpose of establishing the College is to help the most backward community and economically poor learners in and around Dindigul to acquire higher education and become more competitive. The College has been affiliated to Mother Teresa Women's University, Kodaikanal from the year 2003. The college is located in the midst of an ancient city, Dindigul, adheres to the mission of "Purity, Unity and Ability and enjoys a commendable social accreditation.

The college was established only with minimum number of programmes. In the subsequent developmental years, various Under graduate, Post graduate and Research programmes were introduced. Now the College offers 13 UG Courses, 11 PG Courses and 07 M.Phil programmes and 03 PhD. Programmes in various disciplines. The college is functioning with 66 Regular Faculty members, 67 Guest Lecturers, 23 PTA Faculties, 9 CLP Staff and among them 88 are Ph.D. holders. The administrative and technical jobs are supported by 32 non-teaching staff. The college is catering to the educational needs of the neighbouring rural society. The number of students sought admission to the under-graduate, post-graduate and research programmes of the college were 2690. It nourishes the intellectual thirst of the students with a well equipped Central Library which houses 28053 books, being supported by departmental libraries where 21933 books are in store. The college was declared as a Grade I College in the honour of its meritorious growth. In 2003, NAAC Committee visited for the first time and accorded — 'B' Grade. During the second visit of accreditation in 2014, it was accorded with 'A' Grade and now they are preparing for the Peer Team Visit of the third cycle of NAAC Re-accreditation.

The committee is happy to note the good functioning of the departments of Tamil, English, History, Economics, Commerce, Business Administration, Mathematics, Physics, Chemistry, Computer Science, Botany, Zoology and Geography in terms of curricular aspects, research and extension, infrastructure and learning resources, student support progression, governance leadership and management and institutional values and best practices. The college has sufficient infrastructure facilities in terms

of class rooms, laboratories, central and departmental libraries, computer centre, facilities for sports and games etc. The college offers provisions for co-curricular and extra-curricular activities to students in terms of NSS, NCC, YRC and few clubs. The governance of the college is well-structured and decentralized with various committees.

Implementation of

1. **PUDHUMAI PENN SCHEME** (Students who studied in Tamil Medium from VI to XII)
2. **NAAN MUTHALVAN** (a Government sponsored innovative Three month Employability Skill Programme was introduced 2022-2023 exclusively for the II UG Students)
3. **RUSA** in association with Tamilnadu Apex Skill Development Centre for Healthcare, a Government sponsored innovative initiative 240hrs Course was introduced 2022-2023 exclusively for the III UG Students after academic hours are highly appreciated by the committee.

Based on the interaction and discussion held with the various stakeholders of the college, the committee wishes to place on record the following comments/recommendations.

1. Special Bridge Courses are offered to the freshers.
2. Value based courses are being offered for UG and PG students.
3. Cognitive skills have been included in curriculum to some extent.
4. Wide representation in the Boards of Studies.
5. Curriculum is periodically reviewed and updated.
6. College Research Council and Departmental Research Committee monitor research activities.
7. Soft skill and placement training have been offered to final year students for employability.
8. The Computer Literacy Programme caters to the needs of the students with rural background.

9. Faculty members are periodically deputed to get trained on new and emerging technologies in teaching.
10. Feedbacks from stakeholders are obtained to enhance quality in teaching.
11. Academic Development Programmes for faculty members have been conducted.
12. Choice Based Credit System (CBCS) is implemented.
13. Commendable Research Culture in some departments can be extended to all the departments.
14. Extension and consultancy services can be increased high.
15. Societal contribution needs to be strengthened.
16. Curriculum needs more flexibility.
17. The teaching-learning process can be still more learner-centric.
18. ICT based teaching needs to be enhanced.
19. Research in some departments can be based on the requirement of the locality.
20. Research in humanities and languages need to be improved.
21. Interdisciplinary research activities may be promoted among the departments.
22. Faculty members should be encouraged to apply for more research grants.
23. Library Automation needs immediate attention and manuscripts can be added in the library.
24. Botanical garden with medicinal valued plants is an appreciable task.
25. MVM Journal of Research is a praiseworthy element in the promotion of research.
26. Computer-student ratio can be improved.
27. Students' progression towards higher education is moderate.
28. Placement of students can be improved.
29. IQAC may be directed to address the deficiencies pointed out by the earlier NAAC Peer Team.
30. The facilities like Bank, ATM, Post Office, Indoor Stadium, Perfect Health Centre, Transport and Staff Quarters need to be initiated and activated.
31. Innovative Programmes /Courses need to be offered to enhance employability and service to the local society with the funding from UGC.
32. The Career Guidance Cell and Alumni Association are to be made institutionalized and visible and perspective planning for the college as a whole and for individual departments with a focus and time limit, for the next 5 years must be highlighted.

23 & 24 August 2023

AAA REPORT

33. Detailed statistics of PTA contribution for the developmental activities to be strengthened and highlighted.
34. The introduction and implementation of SWAYAM programmes for II UG and II PG students is a welcoming gesture in the impartation of quality education.
35. Internetworking with industries and institutes for academic tie-up, research promotion and placement can be promoted.
36. Inter-disciplinary research among the departments to be fostered.
37. The research metrics of all the faculty members to be consciously improved.
38. The culture of innovation and patenting their findings to be enhanced.
39. The students' major projects at UG and PG level to be made suitable for presentation in conferences / communicated to journals.
40. The alumni network of the institution to be strengthened and to be used for fund generation, placement training and infrastructure augmentation.
41. Innovative pedagogy to be practiced by every faculty member for better engagement and participatory learning.
42. Every faculty member to be encouraged to create one or two e-content / online learning resources to enrich the 'online learning resources repository' of the institute.
43. Special initiatives to be taken to create an eco-friendly and green campus.
44. The impact analysis of the institute in empowering the rural girl students, first graduates and single girl child to be documented.
45. A model village to be created through extension activities and NSS programmes.
46. Fund mobilization from the stakeholders and philanthropists to be initiated.
