

M.V. MUTHIAH GOVT.ARTS COLLEGE FOR WOMEN, DINDIGUL – 624 001.

ENVIRONMENTAL PROMOTION BEYOND THE CAMPUS

M.V. Muthiah Govt.Arts College has initiated many innovative practices and rich culture of environmental promotional activities through NSS Volunteers, Eco Club and volunteers of staff and students who are interested.

Tree plantation: The NSS volunteers adopt a village and organize camps for conducting awareness programme related to the impact of cutting trees and deteriorations of the environment due to increasing the automobiles and how to maintain the environmental suitability. The NSS volunteers involve in making procession with placards and shouting slogans. They get involve in planting trees in nearby villages by implement the vision of Swachh Bharath.

The NSS volunteers organized camp in the **Kuravampatti village, chettinayakan patti, Kallipatty, Pallapatti and Meenakshinayakan patti** where they involved in create awareness about the environmental pollution and motivated the people to get along with them in tree plantation. The volunteers visited **the “Old age home”** where they established the vegetable garden which showed their interest upon to maintain the environment clean and green.

Create awareness to avoid plastics: The usage of plastics increased everyday and the plastic waste negatively impacts our ecosystem, habitats, human health and soil & water. The NSS volunteers are engaged in organizing camps and awareness programmes to aware the public about the impact of using plastics in the village nearby the tourist area “Sirumalai hills” in Dindigul.

The NSS volunteers were encouraged to organize a camp collaborated with “Ponnuruvi Environmental Promotion Committee” to conduct the awareness programme in the Sirumalai Hill station about the **“impact of using plastics and how it pollutes the Environment”**.

Seed Balls distribution: The students of Zoology Department are involved in preparing seed balls and distributing it to the farmers. The awareness is created among the farmers about the effect of environmental pollution due to cut down trees; transforming agricultural lands into plots and urbanization in the global scenario. Motivation and self interest is built in them to plant more trees.
