ENVIRONMENTAL PROMOTION BEYOND THE CAMPUS

M.V. Muthiah Govt.Arts College has initiated many innovative practices and rich culture of environmental promotional activities through NSS Volunteers, Eco Club and volunteers of staff and students who are interested.

i. TREE PLANTATION:

(PHOTOS PLATE -NO -1, 2,3,4 & 5 -TREE PLANTATION & CLEANING)

The NSS volunteers adopt a village and organize camps for conducting awareness programme related to the impact of cutting trees and deteriorations of the environment due to increasing the automobiles and how to maintain the environmental suitability. The NSS volunteers involved in making procession with placards and shouting slogans about impact of environmental pollution and how to maintain a clean environment and the importance of planting trees. The Students created interests among the local village people and got them involved in planting trees in nearby villages by implementing the vision of Swachh Bharath.

The NSS volunteers organized camp in the **Kuravampatti village, chettinayakan patti, Kallipatty, Pallapatti and Meenakshinayakan patti** where they involved in create awareness about the environmental pollution and motivated the people to get along with them in tree plantation.

ii. OLD AGE HOME VISIT – PHOTO- 6 & 7

The volunteers visited the “Old age home” where they established the vegetable garden which showed their interest upon to maintain the environment clean and green.

iii. Create awareness to avoid plastics: (Photos –Plate – 8- One Day Awareness Camp- to Ban the usage of plastics)

The usage of plastics increased everyday and the plastic waste negatively impacts our ecosystem, habitats, human health and soil & water. The NSS volunteers are engaged in organizing camps and awareness programmes to aware the public about the impact of using plastics in the village nearby the tourist area “Sirumalai hills” in Dindigul.

The NSS volunteers were encouraged to organize a camp collaborated with “Ponnuruvi Environmental Promotion Committee” to conduct the awareness programme in the Sirumalai Hill station about the **“impact of using plastics and how it pollutes the Environment”**.

iv. Create awareness among the village people for the importance of constructing toilets **(Photos – 9)**

The NSS volunteers made a Door-to-Door campaign programme at Chennama Nayakkanpatti in Dindigul on 06.08.2018 to create awareness among the village people for the importance of constructing toilets. They covered 100 houses where they met the people and involved them to construct the toilets for their own use at every house.

v. Seed Balls Preparation and distribution: (Photos – 10 & 11)

The students of Zoology Department are involved in preparing seed balls and distributing it to the farmers. The awareness is created among the farmers about the effect of environmental pollution due to cut down trees; transforming agricultural lands into plots and urbanization in the global scenario. Motivation and self interest is built in them to plant more trees.
