Green Audit – Audit Report, Suggestion and Action taken:

The objective of the Green Audit is to ensure to keep the campus with healthy environment, enhancing awareness towards ecosystem and environment, imparting interests to the students to study the species of plants and biodiversity, reducing the noise and air pollution.

The suggestions given are;

1. Tree plantation should be carried out to maintain a clean and green campus
2. NSS volunteers are encouraged to plant more number of trees from entrance to inside of the college.
3. Department wise circular is given to instruct the students to maintain Clean and Green campus.
4. Students are encouraged to bring saplings to plant in front of their departments.
5. Maintaining the plastic free zone is strictly implemented.

The green audit report is concluded with the recommendations are, the campus is properly maintained and found good which helps for oxygen evolution, greenery environment with pollution free campus enhances bird population.

Circular for Green Campus initiatives

Greetings to All

Kindly instruct the students to maintain a clean and green campus. In order to maintain a plastic free zone, insist the wards to avoid the usage of plastics and other non degradable bottles and plastic bags. The entry of Automobiles should be restricted and asks the stakeholder to use pedestrian friendly pathways. Ask the interested students to bring the tree samplings, planting and watering in front of their department and get to involve them to maintain the biodiversity of plants in the campus. Encourage students to use bicycles. **(Policy document link is attached)**

Circulated to the Heads of All Departments
Circulated to the students

POLICY DOCUMENT ON PLASTIC FREE CAMPUS

Government notifies the plastic waste management Amendment rules 2021; Prohibiting identified style use plastic items by 2022. Thickness of plastic carry bags increased from 50-70 micron from 30th Sep 2021. 120 micron with effect from 31st December 2022.

1. Faculties, Non- teaching Staffs and Students are instructed to observe and comply with these regulations and rules.
2. The Institution implements and adopts policy towards a plastic free zone inside the entire campus
3. Slogans and quotes are placed at prominent places to create awareness about the ill health of plastic use.
4. The students are instructed to use Ever- silver Tiffin boxes to purchase foods.
5. Throw plastic leads, boxes, and plastic chapels in the allocated dustbins.
6. Use cloth or jute bags, use stainless or glass tumblers in canteens and functions.
7. Staff should promote various activities to get the involvement of students in maintaining the campus **“free of plastic”**.
8. Faculties and students to avoid buying water in plastic bottles (single use)
9. NSS volunteers should conduct sensitization programme on the impact of single use plastic by displaying slogans quotes with the hampering of plastic bags, cups, plates and drinking water bottles.
10. NSS volunteers and Eco club activities should create awareness among the public about the detrimental effect of using plastics and use the slogan of “don't use plastic carry bags plastic bags or containers in dustbins”.
