In the Year 2022-23, UG Final year students opined that most of the papers were useful and informative. It is helpful to attending the Competitive Examinations like UPSC Exam. Most of the portions covered Indian Economic Problems, Economics Statistics, Money and Banking, Public Finance, Environmental Economics and Rural Economic Development. The Elective papers like Principles of Management, Principles of Accounting, Mathematical Economics, and Export Marketing and Service Marketing Papers are more useful for skill enhancement. Entrepreneurship Development, Marketing, Business Environment & Policy, Economics of Advertisement and Service Marketing papers are motivated as self employed to the students.

Recommendations

In the year 2022-23 UG Final year students, most of the students were recommended. Number of major papers can be increased, contents of the paper need revision and Extension activities should be compulsory.
